

## **Secretary's Report**

Firstly it is our sad duty to record deaths of members of which we have been notified since the preparation of last year's report: Judith Cam (staff 78-80), Anthony Della-Savina (50-55) who died in 2015, Ronald Edgeworth (44-49), Donald Foale (36-42), Bill Fryer (43-48), Brian Gilmore (46-51), Alan Newman (32-37), Frank Page (41-48), Leslie Payne (56-61), Reg Shaw (32-36) and R. L. Whitley (38-43). Also, we heard of the death of Ronald Eden, who attended the school from 1946 -51.

On 17<sup>h</sup> July, 52 people (including 28 members) assembled at Forest Green. We welcomed members of the Hands family and dedicated a bench to the memory of Rory and Kate. We then enjoyed an excellent lunch prepared by Tony Antoniou and Photios Demetriou. Peter Sayers dispensed the wine. Eleven hardy souls subsequently reached the peak of Leith Hill and eventually got back to camp.

59 attended the Annual Dinner at the RAF Club on 26<sup>th</sup> October. Peter Woodman took the chair and introduced Alan Sensicle as our speaker. We thank all members of the committee for their support, particularly those who took on extra burdens when the secretary was partly out of action.
