

ROLL OF HONOUR

1939-1945

Their names are written here, who in the War of 1939-1945 gave their lives for us all. They knew well that they were going out to face hardship and death, but they went willingly because they loved their Country & would not admit tyranny to her coasts. For their unselfish courage we remember gratefully their honourable names; and we pray for their joy in the sight of God.
